Connecting the Dots: Inclusion & Compliance

(Part of the Working with SDOT Series)

Join us for the second annual **Connecting the DoTS** event for information on commonalities between local transportation agencies - SDOT, King County, Sound Transit and WSDOT as it pertains to information and processes that can be carried over between agencies to facilitate potential work opportunities amongst the agencies.

This session will feature information on WMBE/DBE Compliance practices within the participating transportation agencies, roles and expectations for Primes and Subs, as well as tools and helpful information to deliver on those expectations.

The event will also feature:

- Information on upcoming opportunities from SDOT, Sound Transit, and King County and WSDOT
- Information on Contract Compliance and associated tools / software
- Information on State of Washington Office of Minority and Women's Business Enterprises (OMWBE) certification

**November 2, 2017
